SEED & SUET SALE BEST PRICES NOW!

It is time again for our annual Winter Seed & Suet Sale. From now until February 28th, you get the best deal of the season on a wide variety of seed and suet. Stock up on WBU Supreme, Deluxe or No-Mess, as well as other seeds at sale prices. We store it for you and you can pick up one or more bags at a time so you always have enough fresh seed and suet.

SALMONELLOSIS IN PINE SISKINS

Pine siskins have returned in large numbers along with sick and dying siskins infected with salmonella bacteria. Unfortunately nothing can be done for the birds who may appear fluffed up and listless at the feeder. Infected birds shed the bacteria in their feces and because they roost together in large numbers this is where the cross contamination occurs. If you do see a bird at your feeder a good cleaning with hot soapy water and bleach, along with a cleanup underneath the feeder will help prevent further spread of the disease. Ensure that you Wash your hands thoroughly if you have handled sick or dead birds.

PEANUTS

Our peanut suppliers have raised prices temporarily (they say) so we are unable to put peanut pieces and peanuts on storage. The bright side is that the high prices are due for a correction (i.e. get cheaper) so you may get a break. We will drop prices as soon as we can.

FEEDER SALE

For two weeks only from Feb. 14th to the 28th, **20% off** ALL squirrel proof and regular seed, suet and hummingbird feeders in our Vancouver and North Vancouver stores.
